LEARNING ADVENTURES PRESCHOOL

**LEARNING
ADVENTURES**
PRESCHOOL

A quality fee-based preschool option through the
District's Community Education Enterprise Fund.

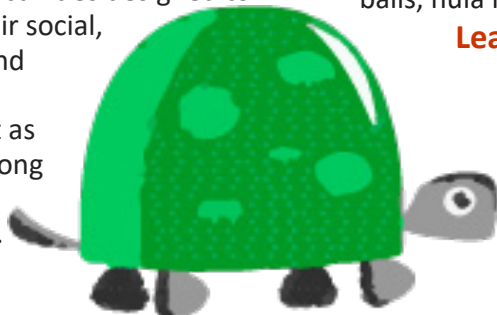

The Sioux Falls School District is committed to providing the highest quality education possible for your child.

At Learning Adventures, children develop the strong education foundation that is key to their success. Learning Adventures Preschool is led by certified early childhood professionals and an assistant, providing an instructor to student ratio of 1:8.5.

A combination of HighScope and leader-designed curriculum is used. Learning Adventures offers a fun and academically enriching experience for your little learner. Snacks are provided.

Our Program Goals:

Learning Adventures Preschool offers your child a variety of fun and educational activities designed to stimulate their social, emotional, and intellectual development as they move along the road to kindergarten.

LEARNING ADVENTURES PRESCHOOL

Come, Learn With Us!

Each day begins with **Greeting Time**. We then transition into large and small group **Reading** activities – working on letters, sound recognition, and writing. We explore and check out books in the school library once a week. Each day we discover **Math** through numbers, patterns, shapes, and we begin our work to understand properties of addition and subtraction. **Science** offers the students opportunities for creative discovery of magnets, color, sound, senses, water, plants, animals, weather, climate, and the world around us. **Daily Artistic Exploration** exposes students to paints, scissors, glue, stamps, and so much more. **Whole Group** art activities help us reflect on our feelings about books we have read or things we have learned. **Music** is a daily part of our classroom, providing exposure to concepts such as rhythm, tone, tempo, and volume. **Large Motor Skills** are developed with peers on the playground, gym, and in the classroom. **Free Time** is provided to explore various movements and activities using balls, hula hoops, and tricycles.

Learning is fun!

A great
place to
GROW

Sessions:

Morning and afternoon sessions are offered. Please see the website for details on the various locations. www.sf.k12.sd.us (hover over “schools” then click on “preschool”)

Registrations can be completed online through the District’s Community Education Department. www.sf.k12.sd.us

Students must be at least 4-years-old by September 1. Children also must be fully potty-trained as classrooms are not staffed or equipped to help with diapers/pull ups.

No transportation will be provided.
