Edison Middle School would like to welcome the incoming 6th grade students and their families into the Edison family. We know that the transition to middle school can be an exciting yet stressful time, even for parents/guardians; however, we want to reassure you that we have activities in place to help you and your student make a successful transition. We truly believe that the support and activities offered at Edison will enhance your student’s success. We encourage you to take advantage of the opportunities available in an effort to prepare both you and your student.

The first opportunity is the Surviving Middle School sessions that are available for incoming 6th grade families. Are you a little anxious to send your child off to middle school? Are you wondering how middle school is different from elementary? Are you interested in hearing more about the adolescent life that your child is now entering? If you answered yes to any of the previous questions, then Surviving Middle School is a great informational session for you to attend. The Edison counselors, Mrs. Dravland and Mr. Biteler, will be holding the class on April 4th and/or April 8th from 6:00 pm to 8:00 pm. All parents/guardians are encouraged to attend; however, the sessions will be most appropriate for those having students in middle school for the first time. Please bring your 5th grader with you when you come to one of the sessions.

The second opportunity will be Running Start this summer to help incoming 6th grade students become familiar with Edison and middle school. Running Start is a great program that helps many of our students make a successful transition from elementary to middle school. Running Start helps students become familiar with our programs, their lockers, the lunchroom, a 6th grade schedule, and our building. The sessions will fill up fast, so please look for an upcoming email with the registration details and link.

Before school starts next fall, we will hold our WEB (Where Everybody Belongs) Orientation Day for our 6th graders. The 6th graders will work with our 8th grade WEB leaders to ensure that their transition to middle school is a successful one. The 6th grade WEB Orientation Day is a great time for students to meet other 6th graders, meet some of the 6th grade teachers, work on team-building activities, and get to know the WEB leader your student will be working with during PRO-Time activities throughout the school year. We hope all 6th graders are able to attend the WEB Orientation Day on August 9th from 8:30 am – 12:00 pm at Edison in the gym.

We are committed to working with our families and students to ensure that their transition from elementary to middle school is a smooth and successful transition. If you have any questions regarding any of the aforementioned events, please feel free to call the office. We welcome you to the Edison family and look forward to having you and your student at Edison in the fall.

8th grade party!

Attention 8th Grade Parents:

The 8th grade party will be held on the last day of school. Watch for emails with opportunities to donate items and volunteer for the party. Please drop off monetary donations in an envelope labeled “8th Grade Party” to the office.
Supporting Those Who Support Students

By Dr. Brian Maher, Superintendent

Many of us have heard the phrase “Real heroes don’t wear capes.” If you consider that phrase while walking through any one of our schools, you know this to be the absolute truth. Real heroes in the Sioux Falls School District wear custodial uniforms, aprons in the kitchen, and certainly more than one “hat” if their job title is education assistant or clerical!

Every school day, it takes more than 3,500 employees to welcome the 24,000 students and their parents who count on us to deliver a high-quality education. While about 1,900 of those employees are classroom teachers, the other 2,600 fill important support roles. These are the unsung heroes who make our schools safe, warm, and welcoming learning environments where our students can do their best. These support people are the quiet do-ers who take on the necessary tasks without fanfare. They build relationships with students. Offer a smile at just the right time. Give fist bumps and high-fives.

While most of us notice freshly waxed hallways, emptied garbage cans, and neatly stacked chairs in the cafeteria, the job of a custodian is so much more. They must be handy men/women, knowing how to fix a jammed towel dispenser in the bathroom one minute, sharpening a blade on a mower the next, just before trouble-shooting the cause of short in a microphone cord.

Child nutrition staff members aren’t your basic kitchen help. Last month, they gathered to do some taste-testing in search of new foods their young customers might enjoy. Strict federal guidelines on protein, whole grains, and sugar levels need to be “weighed” when designing the breakfast and lunch menus. These staff are meticulous and take their role in fueling students with healthy, yet good-tasting foods, very seriously.

Education assistants support students and teachers both in and out of the classroom. In some cases, EAs are personal assistants for students who have physical needs. In some cases, they are an extra set of hands in a large classroom. They re-shelve books in the library. They keep the lines flowing, the talking at a “dull roar,” and the tables clean between shifts in the lunchroom.

And, if you need the answer to almost any question, everyone knows you go to the office for help! In addition to answering phones, taking lunch count, depositing money from book orders, creating a newsletter, ordering supplies, checking-in visitors, fetching ice packs for recess mishaps, our clerical are also trained to check blood sugar levels and administer medication to students with those needs.

If you’re not already exhausted by just reading about why these support people are so critical to our mission “to educate and prepare each student to succeed in a changing world,” spend a little time taking note of their work the next time you are at school. We think you will agree that “real heroes don’t wear capes!

Tips for Parents:
What to Do If Your Child Witnesses Bullying

• Teach your child how to get help without getting hurt.
• Encourage your child to verbally intervene if it is safe to do so, by saying such things as “Cool it! This isn’t going to solve anything.”
• Tell your child not to cheer on or even quietly watch bullying. This only encourages a child who bullies—who wants to be the center of attention.
• Help your child support others who tend to be bullied.
• Teach your child to include these children in activities.
• Praise and reward “quiet acts of courage”—where your child tried to do the right thing to stop bullying, even if he or she was not successful.

Registration Information!

7th grade registration is complete! 6th grade registration will finish up the beginning of April during science classes. A form will be sent home with your child and a signature requested.

5th to 6th Grade Registration
The process of registering 5th grade students for 6th grade has begun. We will be handing out registration forms for 5th graders to bring home. Please watch for this form, complete, and return to the elementary school.

5th graders to visit Edison May 9th
5th graders will visit Edison for a brief orientation and get a tour from 9:30-10:45.

WEB
The 7th grade teachers and WEB advisors will be in the process of selecting 7th grade students who would make great WEB Leaders next year. WEB Leaders are positive role models who help make 6th graders more comfortable in middle school. They participate in various leadership activities throughout the year and must attend mandatory training next August. Current WEB Leaders will be talking to 7th grade PRO-Times on Wednesday, April 10th during Pro-Time. An application form will be handed out then — they will be due by Wednesday, April 17th.

WEB DAY! All Incoming 6th Graders
AUGUST 9th from 8:30 am - Noon at Edison for 6th grade WEB Celebration and Orientation Day
All incoming 6th graders are strongly encouraged to attend this event!
Wear casual clothes and be prepared to HAVE FUN!
WEB is a program in which 8th grade WEB leaders help incoming 6th graders make a smooth transition into middle school.

HIGH SCHOOL SUMMER SCHOOL 2019
Registration is now open for High School Summer School. CONNECTIONS is designed to assist students in making a smooth transition to high school by providing connections with math, reading, and writing skills. The class incorporates a variety of activities which provide students with an opportunity to improve their academic skills, as well as to familiarize them with their new high school, expectations, procedures, opportunities available, and organizations/clubs/activities. This is an excellent opportunity for students to get a head start as they enter high school.

Students who successfully complete the class will earn .50 elective credit toward their total high school credits.
The course will include math and language arts units which will help prepare students for high school.

Online Summer School will run at CTE from June 3rd through July 25th.
In-classroom Summer School classes – Speech & Team Sports - will run from June 3rd through June 26th at Lincoln High School.
Registration should be completed online, if possible. Register by visiting the SFSD website and find ‘High School Summer School’ under the ‘School’ tab.
All forms & info can be found either online or in the counseling center.
Questions? Please contact 8th grade school counselor, Becca Dravland becca.dravland@k12.sd.us

Join us this summer and get a Running Start
Calling all soon-to-be Edison sixth graders: Join us for a week of fun, laughs, and learning at Edison Middle School! Be ready in June or July so you don’t have to worry the rest of the summer! The sessions will fill up fast, so please look for an upcoming email with the registration details and link!

Edison Middle School on Facebook

PTO NEEDS YOU! We are looking for officers for the 2019-2020 school year. President, vice-president, and secretary positions are open. Email us at edisonsiouxfalls@gmail.com with any questions.

WELCOME all incoming 6th graders and families. The Edison PTO would like to invite you to be involved in our organization. As an incoming 6th grade family, you will automatically become a member of the PTO next year but we would love to have you visit us at our next meeting April 17th at noon in the Edison Conference Room. Come and find out why Edison is such a great place to be!

We have an amazing staff at Edison Middle School. April 25th is Administrative Professionals Day and May 6-10th is Teacher Appreciation Week. Please take a moment to acknowledge an Edison Team member for their contribution to making Edison a great place for your child. From the PTO, we want to say to all the teachers, administration, and staff, thank you for everything you do and we truly appreciate you!

We have a few more events before we close down the school year. If you are interested in helping with teacher appreciation week, an officer or chair position for next year, or are an 8th grade parent interested in helping with the 8th grade party, please email us at edisonsiouxfalls@gmail.com.

**8th GRADE PARTY**
Are you interested in helping out with the 8th grade party? A variety of help is needed, just email edisonsiouxfalls@gmail.com.
Team 6-4 has been working hard this year to share our passion for people with others in our school and community. To date, with projects still in motion, we have been able to:

- Spend time at the Good Samaritan Luther Manor sharing our talents, providing Christmas gifts, and finally we will end with a spring basket to spread cheer.
- Our Cancer Club has put together small bottles of hope and raised $250 for the Avera Prairie Center and $330 for the Chemo Comfort Care Bags.
- Our Kindness Club was able to sell “Kindness Starts Here” t-shirts to remind others that we are where kindness starts. The monies raised from this club have been used to purchase books for kids with less access to books. They will be volunteering at Feeding South Dakota and will use the remaining money to help those affected by the floods.
- Our Humane Society project was able to dip dog bones and sponsor 5 animals at the Sioux Falls Humane Society.
- Our PASI passion project was able to purchase t-shirts for our Spanish Immersion interns to help them remember their time in South Dakota.
- Our Children’s Hospital passion group was able to raise money to purchase books for the hospital to give to children that have been admitted to the Sanford Children’s Hospital.
- Finally, our neighborhood passion group will be helping with flood relief efforts at our city parks!

We want to thank everyone for helping us in any way to help us spread kindness throughout our community.

Congratulations to the following Edison teachers for being nominated for the John Harris Teacher of the Year award this year!

Kayla Hinsch, Erin Larson, Jeremy Iversen, Eva Delgado, and Amber Sundvold

Congratulations to Jeremy Iversen for being selected as a finalist!

Edison is so proud of you all!

Edison Academic Scholar awards criteria

The Edison Academic Scholar quarterly award will be awarded to students who earn at least a 3.45 GPA and earn at least As, Bs, and Cs in all of their classes. The GPA is calculated by total “Honor Points” divided by total “Credits”. “Credits” are valued at 0.5 for Core classes (Math, Science, Social Studies, ELA) for each standard and 0.25 for Encore Classes (all other classes) for each standard per semester. “Honor Points” are calculated by giving each letter grade a point value (A = 4 pts, B = 3 pts, C = 2 pts, D = 1 pt, F = 0 pts) multiplied by the credit of the class. For example, an A letter grade in a Core class standard is given 2 “Honor Points” (4 pts x .5 = 2 pts) compared to an A letter grade in an Encore class standard would be given 1 pt (4 pts x .25 = 1). Those students receiving the distinction will have their names printed in the Edison Echo.

Students who achieve at least a 3.45 GPA and earn at least As, Bs, and Cs in all their classes for the first three quarters will be recognized at the end of the year as an Edison Scholar by their team and will be given a certificate at a team event identifying them as an Academic Scholar. Those students who earn all As will be identified as an Extraordinary Scholar and will receive a medal along with their certificate identifying them as Extraordinary Scholars.

Due to the rigor of the Honors Program and Spanish Immersion Program, students participating in the Honors Program and Spanish Immersion Program will be allowed to earn one B per quarter to receive the medal and be identified as Extraordinary Scholars.

Edison Illuminations & Inventions Performances!

On Friday, May 10, the Edison Inventions and Illuminations ensembles will perform the show they have been working on all year. Illuminations will perform their set at 6 p.m. in the auditorium. It should last about 20 minutes. Inventions will perform their set at 7:15 p.m. in the auditorium. No admission is charged at these performances.

**Any Edison Inventions alumni are invited to join us on stage for the annual tradition of singing “I’ll Remember You” at the Inventions performance. Rehearsal for alumni with Inventions is in the chorus room at 6:40 p.m.**

Private Lessons~

Now is a great time of year to consider starting private lessons on your instrument/voice. Individual lessons with a skilled teacher are a great way to learn, grow, and excel as a musician. The private lesson list can be found on the Edison Music Dept. website at http://emsmusicdept.weebly.com/private-instructors-list.html

Cleaning Your Closets?~

The Sioux Falls School District is always on the lookout for donations of gently-used band and orchestra instruments. Given our funding challenges, this is a great way to increase our instrument supply and allow more students to play in band and orchestra. Please contact Mrs. Sip or Mr. Rygg for more information.

Ensemble Schedule~

**Jazz Band will be meeting Monday and Wednesday mornings from 7:45 – 8:45 a.m.**

**Wind Ensemble will meet Thursday mornings from 8:00 – 8:45 a.m.**

**Brio meets Wednesday and Friday mornings from 8:10 – 8:45 a.m.**

**Inventions meets Tuesday and Thursday mornings from 7:40 – 8:45 a.m.**

**Illuminations meets Thursday mornings from 7:40 – 8:45 a.m.**

**High Five to the Top “Pi’s”**

In 7th grade regular and accelerated math classes, we celebrated Pi Day by singing pi songs, sharing pi jokes & riddles, having a pi memorization contest, defining our knowledge of circles, and consuming pie!

Congratulations to the following champions in our math classrooms for memorizing digits of pi:

- **Mrs. Kortan’s winners:**
  - Period 2: Marisa Riddle (28)
  - Period 3: Peyton Dupert (26)
  - Period 4: Katherine Paulson (100)
  - Period 9: Matilda Alex (32)

- **Mr. Siebenahler’s winners:**
  - Period 3: Kaitlyn Isaak (80)
  - Period 4: Riley Williams (46)
  - Period 7: Chancellor Haber (37)
  - Period 9: Hunter Johnson (36)

- **Mr. Groen’s winners:**
  - Period 2: Ian Smith (360)
  - Period 3: Matias Rojas (70)
  - Period 4: Bentley Williams (110)
  - Period 7: Payley Hendrickson (67)

A big thank you to the Edison families who donated pies and supplies in honor of our celebration!
Edison Library News

The library will once again be doing **Food for Fines** in honor of **National Library Week, April 8-12**. Students that owe money for lost or damaged books can **reduce or erase their fines** by bringing nonperishable food items to library anytime between April 8th and the 12th. One food item equals one dollar off a fine. This is a limited time offer. No food will be accepted after Friday April 12th.

In addition to Food for Fines, students will have an opportunity participate in several activities throughout the week.

Speaking of fines, please have your students take care of any outstanding fines as soon as possible. Fines can be paid, or they can be worked off by a student before school or during directed studies. For each half an hour worked, $2.00 is subtracted from the student’s fine. Any students with fines or overdue books on the last day of school will miss out on part of that day’s activities.

Women in Science

Eighteen 8th grade girls participated in this year’s Women in Science event, which took place at Southeast Technical Institute.

The purpose of the trip is to introduce girls to a variety of jobs requiring science backgrounds and encourage them to consider training and jobs that relate to science. The girls experienced a plethora of presentations given by local women in science fields. Students also had the opportunity to browse through an exhibit hall where they were given hands-on activities and were able to talk with various scientists.

**BOX TOPS!**

Edison students! One way Edison can earn extra money is by saving Box Tops. The money earned from saving Box Tops has helped purchase many things at Edison over the years such as library books, personalized Edison rugs, picnic tables in the courtyard, and the mural in the gym, among other things! We will have a competition between PRO-Times to see which PRO-Time can collect the MOST Box Tops between now and March 1. Ask your friends, neighbors and relatives to collect for you!

**Box Tops for Education**

- Don’t throw away your Box Tops! (See samples above.) **Please be observant of expiration dates and throw away expired Box Tops.** PRO-Time teachers, please help watch for expired Box Tops and toss them before you turn them in to Mrs. Sundvold.
- Tear off Box Tops from eligible products and send them to school with your student. (It’s best to send them in an envelope or baggie with your child’s PRO-Time teacher’s name on it.)
- Each Box Top is worth 10¢ for Edison. This adds up quickly!
- A complete list of eligible products is found on the site below.

Visit [http://www.boxtops4education.com/earn/participating-products](http://www.boxtops4education.com/earn/participating-products) to see a complete list of participating products. Please help us out by saving Box Tops for EDISON. Thank you!
The Edison Mathcounts team placed 2nd in the state competition held Saturday, March 23 in Pierre. Team members include 8th graders Callum Coots, Ben Kvale, 7th grader Sam Newitt, and 6th grader Christopher Post. 8th grader Samantha Anderson also competed in the individual rounds. In addition to the 2nd place finish, Sam Newitt placed 5th overall in the individual competition. Congratulations to our Edison Mathcounts team as well as a big thank you to all of the parents who helped support their son/daughter throughout the year.

Student Council News

The goals of Edison’s Student Council are to build school spirit and pride, to assume responsibility as citizens in our school and community, and to promote a safe, caring environment.

School Dance – Thank you to everyone who attended and helped with the school dance.

Movers for Mom – We are currently collecting new items for the Teddy Bear Den. Items on the wish list are:
- children’s clothing and sleepers- newborn to 2T
- diapers size 5-6
- Boppy pillows
- bottles
- bath products for moms and babies (shampoo, body wash, and lotion)
- baby toys and books
There is also a need for gently used strollers and high chairs. Please turn in items to the art store room between now and April 1.

Special Olympics Coin War – In order to raise money for Special Olympics, we are having a coin war between grades on April 1-5. The collection jugs will be set up in the office hallway before and after school. The coins placed in your grade’s jug will be counted as a positive amount and paper money in your jug will deduct from your amount.

Student Hunger Drive – From April 8-19, we will be collecting food and money for the Food Pantry and the Backpack Program. The PRO who collects the most will be treated to a lunchtime pizza party in the teacher’s lounge.
We will tally the pounds of nonperishable food, and each dollar collected will count as 10 pounds of food. Please bring collected food and money to the art store room.

Pop tabs for the Ronald McDonald house. Please collect pop tabs and deliver them to room 144.

6th Grade Science Club:
March 28th was our final visit for 6th Grade Science Club! We toured Sanford Imagenetics. It was a fantastic year! Thank you to our wonderful speakers who have taught us about a variety of science fields and for sharing your time and expertise with us!
April Health News

**Allergy season is here.** Allergic disease is a leading cause of missed school days for children. It is now peak season for allergy and asthma sufferers, and a perfect time to recognize the causes of asthma and allergies to best prevent attacks. Common allergy symptoms include coughing, sneezing, itchy eyes, runny nose, and scratchy throat.

Common allergens and irritants found around the home are pollen, dust mites, mold, pet dander, and secondhand smoke. Exposure to these allergens can even trigger an asthma attack.

During an asthma attack, airways become narrowed and breathing can become difficult. Other asthma triggers include: respiratory infections, pollen (trees, grasses, weeds) air pollution, food, allergies, cleaning products, perfumes, exercise, and cold air exposure. Common asthma symptoms include wheezing, shortness of breath, chest tightness, and coughing. Asthma cannot be cured but it can be controlled.

- Clear your home of allergy/asthma triggers
- Choose not to smoke
- Keep bed linens clean
- Keep pets out of bedrooms
- Clean up mold and get rid of excess moisture
- Limit use of pesticide sprays
- Dust and vacuum regularly
- Use air conditioning when possible

Talk to your physician about the best daily management for your child’s symptoms. For more helpful information, visit [www.kidshealth.org/parent/medical/allergies/allergy.html](http://www.kidshealth.org/parent/medical/allergies/allergy.html)
A GREAT TOOL FOR YOUR SCHOOL TO EARN FREE SUPPLIES

When teachers, parents and other supporters purchase qualifying products at Office Depot® or OfficeMax® and provide your school ID at checkout, your school will receive

5% BACK IN CREDITS FOR FREE SUPPLIES

It’s a small act that can make a huge difference. Visit officedepot.com/givebts for details.

Edison Middle School CODE: 70091953

Give Back to Schools Program: Pre-K-12th grade schools only. 5% of qualifying purchases (after deducting discounts and the value of any rewards certificates or merchandise credits applied to the purchases) made during each program period will be returned quarterly as an Office Depot®/OfficeMax® Merchandise Certificate to the participating school designated by each customer (up to a total of $100 million). Products that do not qualify are technology and consumer electronics products and accessories, media and software that is not education or reference-related; furniture and furniture accessories; ink and toner ink and prepaid cards; postage stamps and purchases from print and copy centers. Purchases made to contracted business accounts and by resale do not qualify. Credits are not available to schools with less than $10 in lifetime credits. Unrestricted credited credits are void. Visit Officdepot.com/givebts for details.

Q & A FOR SCHOOLS

How does the Give Back To School program work?
It’s simple! Bring this flyer and your school supply list with you to your favorite Office Depot® or OfficeMax® store. Show the cashier your school’s ID at checkout, and 5% of your qualifying purchases* will be offered to your school in the form of an Office Depot® OfficeMax® merchandise certificate.

Am I required to purchase Office Depot® or OfficeMax® Brand products?
No. You can purchase any brand, size, color or quantity of qualifying school supply products!

Can anyone participate?
Yes! Anyone can help raise funds. Teachers, parents and school staff can all use your school’s ID number when they shop at Office Depot® or OfficeMax®.** Your school will earn 5% back on all qualifying purchases.

What if I don’t buy my entire school supply list at Office Depot® or OfficeMax®?
That’s OK! Your school will get 5% back on all qualifying purchases you do make at Office Depot® and OfficeMax®. Hopefully, you’ll take advantage of our price match guarantee***, so if you find a lower price somewhere else, we can match it and you will get credit for your school.

What if I purchase more qualifying supplies than just the ones on my list?
That’s great! The more you shop, the more your school will earn!

What if I shop for supplies more than once?
That’s great, too - we love seeing you! Shop as often as you like – just remember to present your school’s ID number at checkout and your school will get credit for all qualifying purchases.

What if I forget to bring my list to the store?
No worries. We will have your school’s list and your school’s ID number available at the register. Just tell the cashier what school you want the credit to go to.

When does my school receive their merchandise certificates?
Merchandise certificates are issued quarterly. Your school must have a minimum of $10 in credits for a merchandise certificate to be issued.

Who can I contact if I have any additional questions?
Visit www.officedepot.com/fundraiser OR reach out to your local store manager. We will work hard to make this as simple as possible for you.

*Merchandise purchase of technology and other electronic products and accessories, media and software titles not education or reference related, furniture and furniture accessories, ink and toner, gift cards and gift cards redeemable for Office Depot and OfficeMax merchandise, purchases from print and copy centers.

**Purchases made in Office Depot Business Solutions Division contract accounts are not eligible and will not contribute to your school’s credit. Your personal purchases are eligible.

***We match our Competitor’s prices. What does that mean? Office Depot & OfficeMax will match a lower price you find in a popular retail magazine, or the price printed in a competitive advertisement. Simple. No hassle. We want you to save money. To find out more, visit office depot.com. While we’ll do our best to match any competitor’s price, our policy does not include:.
